

# METAL FLOAT SWITCH

CE  
ISO9001

Working  
Temperature - 100°C

## TECHNICAL DETAILS

Standard working temperature 100°C

Executions above 160°C

Operating ambient temperature -40°/+80°C

Minimum degree of protection IP65

Flame and heat resistant

Switch type – SPST

Fitting size (NPT) – 1/2"

Available in 40mm, 100mm, 150mm, 200mm, 250mm,  
300mm, 500mm
